The Plaintiff, Ms. Michelle Torrey requests an additional 30 days to make service to above named defendants under Fed. R. Civ. P. 6b. The Plaintiff on December 23, 2024 went to U.S. Marshall's office to attempt to have the Marshall's Office perform the service requirement of the Rule of Federal Civil Procedure. Ms. Torrey was told that the person whom handles pro seau service is out of office and would not be

returning until after the Holiday. The Marshall that I spoke to at 3:20 December 23, 2024 said that due to tight time frame to make service to all parties may require up to 30 days. He told me to come back either Thursday or Friday when the person whom handles in forma pauperis will be in and can further advise and take papers to complete service to defendants. He did advise to ask for an extension to make service and provide proof of service to the Court.

Respectfully Submitted
